My Voice, Our Equal Future

Join us in celebrating the International Day of the Girl!! Every 11 October the world celebrates GIRLS! And we want to hear from you. This year's theme "My Voice, Our Equal Future" asks us to reflect on the changes we can make in the world as individuals and together. How we, as girls, can change the world.

As Sacred Heart students one of our collective goals is a Social Awareness that Impels to Action. What actions can we take now and in the future? In groups, as a class, or on your own create a goal for social change using the worksheet attached, then tell us about it. Your goal can be as big or small as you want.

Get Creative! You can submit your work as a video, piece of art, poem, or essay. And we will feature your work on the Sacred Heart at the UN Website to help inspire others. When you send us your creation, send us the worksheet that goes with it. Let's see from how many places around the world we can lift our voices!
