AUGUST 31, 2021

RE: INTERNATIONAL DAY OF THE GIRL, OCTOBER 11

Dear Educators of the Sacred Heart,
It is already time to motivate your students to add their voices at the UN for International Day of the Girl 2021. Last year we had impressive virtual participation by Sacred Heart girls from Mexico and India. This year, we hope that they and more Sacred Heart girls from all corners of the globe will participate virtually!

How to Get Involved
Attached you will find:
1) an invitation for Sacred Heart girls
2) a worksheet to help them get started
3) a consent form for minors
4) copyright guidelines for submissions

To be accepted, all submissions by Sacred Heart girls must: 1) be received no later than October 1, 2) meet the copyright guidelines, and 3) have parental/guardian consent.
Submissions will be showcased as part of a special Sacred Heart Family online event for International Day of the Girl.
